

MARKAL®

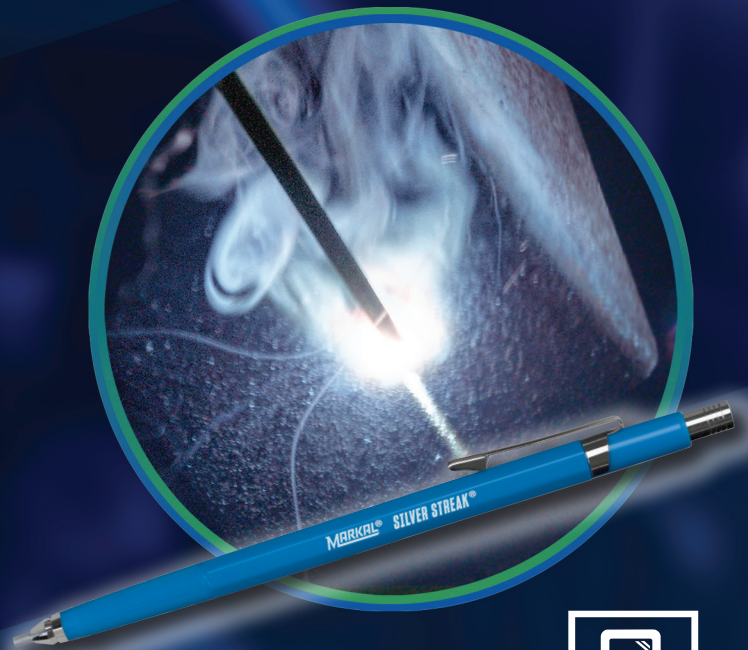

WELD-RITER® WELDING MARKER SILVER STREAK®

Refillable mechanical holder
with highly-visible reflective lead

The Weld-Riter® Mechanical Pencil with refillable Silver-Streak® leads is ideal for use when highly-visible, torch-resistant marks are required during metal layout and fabrication work. The unique reflective lead is more visible through a welder's filter plate and will not rub, burn or blow off like soapstone. Marks on all metal surfaces including oily or wet.

FEATURES

- Durable, mechanical holder prevents stick breakage
- Convenient, built-in sharpener and pocket clip for easy storage
- Highly visible marks illuminate when cutting or welding
- One-click advance for precise marks, uses just the right amount of lead
- Superior to soapstone in markability and durability; will not rub, burn or blow off surface
- Marks on oily, wet or rusty metals, and will not scratch or abrade surfaces

Marks illuminate
